Auto Alarm/Investigation	3	88 Newport St. Glen Lyon 122 Alden Mt. Rd. Alden 122 Alden Mt. Rd. Alden

Total calls for the month of September: 20  
Total calls this year: 130

**Training:**

MVA training held at Binks in Sheatown. A simulated mva was the scenario; members removed a victim and practiced vehicle entry using a variety of tools.

**Other Activities:**

Mini-pumper was inspected  
Engine 1 was inspected, needs rear tires  
Rescue 1 was inspected, still needs oil change

The old rescue, the 83 Mack was donated to the Genesee Fire Department in Potter County. This truck is now off of our maintainance and insurance roles.

Three grants were submitted to the State Fire Commissioners Office. The grants are for equipment requests.

We are requesting the use of Rescue #2 (pick-up) to be used at the remaining (2) Greater Nanticoke Football Games as a QRS. This has been requested by the high school personnel based on problems with ambulance coverage.

We are requesting the use of the apparatus for fire prevention at KM Smith Elementary school, and any other fire prevention activities that may arise this month (October is fire prevention month)
