Other Activities:

Brush Truck returned and placed in service. A note was placed at driver's desk for drivers training on the truck on 10-18-10, as of this date no-one has requested training.

Engine #2 is still out of service, due to tire blow-out. The Fire Chief recommended the tires be changed due to wear and dry-rot, however, he was overruled.

Engine #1 had dead batteries, due to operator error.

An AED has been placed in service on E-1. All operators have been trained in its use during the annual CRP update. We will soon be receiving 2 more. These items are valued at over 2 thousand dollars each, and are a life saving device.

The Guardian Eldercare Fire/Emergency Disaster drill had to be cancelled due to the non-availability of drivers.

The Fire Department assisted with the Community Group's Fall Festival. We provided a vehicle rescue demo. And kitchen labor, in conjunction with the Little League. We each made \$300.00

#### UPCOMING EVENTS:

On Tuesday, November 2, 2010 we would like to attend the viewing of Donald Rhinehamer, a life long member of our department. We are requesting the use of our engine to attend the viewing which will be held at Davis-Denali Funeral home in Nanticoke.

St. Andrews Church in Alden is hosting a "Blue Mass" on Sunday November 7 2010 at 10 am we would like permission to attend this event as well.
