**What is it?** This spring, you can help us with our local cleanup, beautification and community improvement program, the **Great American Cleanup™**. Millions of residents across the country are taking part in this springtime campaign to clean up and beautify communities all across America. The **Great American Cleanup™** is brought to you by The Newport Township Community Organization in partnership with Keep America Beautiful, Inc., the State of Pennsylvania, National Sponsors, state and local sponsors.

In Pennsylvania it is a statewide cleanup campaign involving local and state government, businesses, waste haulers, and environmental and civic groups. The PA Department of Environmental Protection (DEP) and the Department of Transportation (PennDOT), in cooperation with Keep Pennsylvania Beautiful, Inc., are sponsoring the Great American Cleanup of Pennsylvania.

**Why should you do it?** The **Great American Cleanup™** is a fun, educational, outdoor, springtime activity!
